Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Orange Centralized Emergency Service Center in Fiscal Year 2024. The entity receive funding for this project is the City of Orange Township, located at 29 North Day St, Orange, NJ 07050. The funding will be used to build and outfit a centralized, consolidated Communications Center for Orange's Emergency Operations Center. This includes an update to all existing equipment, all construction related materials and labor, all technological equipment, network cabling, monitors, servers, electrical and all associated material and equipment..

The project has a Federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Donald M. Payne, Jr.
Member of Congress
